Seventh Sunday in Ordinary Time

To restore peace through forgiveness is a mark of a Christian.
Matt. 5:38-48.

LENT IS A TIME TO PAUSE

Pause a little; leave behind the unrest and commotion that fill the soul with bitter feelings which never get us anywhere. Pause from this compulsion to a fast-paced life that scatters, divides and ultimately destroys time with family, with friends, with children, with grandparents and as a gift... time with God.

Pause for a while, refrain from the need to show off and be seen by all, to continually appear on the 'noticeboard' that makes us forget that value of intimacy and recollection.

Pause for a while, refrain from haughty looks, from fleeting and prerogative comments that arise from forgetting tenderness, compassion and reverence for the encounter with others particularly those who are vulnerable, hurt and even immersed in sin and error.

Pause for a little while, refrain from deafening noise that weakens and confuses our hearing that makes us forget the creative power of silence.

The month of February is dedicated to the **Holy Family**. This year the first 25 days of February fall during the liturgical season known as **Ordinary Time** which is represented by the liturgical colour green. Green, the symbol of hope, is the colour of the sprouting seed and arouses in the faithful the hope of reaping the eternal harvest of heaven, especially the hope of a glorious resurrection. The remaining days of February are the beginning of **Lent**. The liturgical colour changes to purple — a symbol of penance, mortification and the sorrow of a contrite heart.
