GOOD BEGINNINGS - Your baby's baptism is a time for celebration and joy. Naturally you want the best for your baby, and we want to help you to plan and prepare for your child's baptism in the best possible way. Your most important preparation is to look at your own faith. The very fact that you have asked for your child to be baptised shows that you recognised the importance of God in your life. As your child gets older he/she will grow up with the faith you have taught by example.
